

FURNITURE FOR SHARED LIVING

Pet-Integrated Solid Wood Furniture & Stools

Made for homes. Considered for pets.

Furniture for Shared Living. Designed for homes. Adapted for global markets.

Based in Nankang, Ganzhou, we integrate pet resting, airflow and scratch-friendly functions into familiar solid-wood furniture forms. The collection is developed for homes, retail, e-commerce and private-label programs.

PET-INTEGRATED DESIGN

Resting, ventilation and scratch features belong naturally in the furniture.

SOLID WOOD OPTIONS

Rubberwood, ash and walnut, subject to project confirmation.

OEM / ODM PROGRAMS

Dimensions, finish, packing and branding can be developed.

BUYER NOTES

- Confirmed stool dimensions are shown in centimeters; inch conversions are available on request.
- Pet cabinet dimensions, wood species, finish, packing, MOQ and lead time are confirmed at quotation and sample stage.
- Images show design intent. Natural grain and color vary by timber and screen display.
